Bangalore Institute of Technology

Bachelor of Engineering in Electrical and Electronics

CGPA: 7

December 2020 – June 2024

Bangalore, Karnataka

S.B.M Jain College

Science- Physics, Chemistry, Math

Percentage: 65

May 2018 – July 2020

Bangalore, Karnataka

The East-West School

High School - State

Percentage: 77

May 2017 – May 2018

Bangalore, Karnataka

Projects

Car Showcase | *JavaScript, TypeScript, Tailwind CSS, React, Next JS 14*

September 2024

- Designed and developed a web application that showcases cars that are available for rent on daily basis.
- Utilized Type Script and React library to create responsive and interactive user interface for the application.
- Used the up to date version of Next JS 14 to optimize the performance of the user response.

Analog Clock | *HTML CSS JAVASCRIPT*

November 2020

- Implemented rotating clock hands(hour, minute and second)
- Used CSS transitions to simulate the passage of time.
- Utilized JavaScript to dynamically update the clocks time, ensuring accurate timekeeping based on the users device time settings.
