WORK EXPERIENCE

Pantech Solutions Pvt Ltd

Intern(Remote):

Task: Classification Analysis on Job Placements Data

Developed and implemented predictive models using various algorithms to analyze job placement data of students

PROJECTS

Harmful Asteroid Detection

Technologies Used: Artificial Neural Networks(ANN), Flask, javascript, HTML, Bootstrap

Description: Developed a predictive model using Deep Learning techniques to identify asteroids that pose a threat to Earth. The model improves our ability to detect hazardous asteroids, aiding in early response planning and enhancing planetary defense capabilities. Ultimately safeguarding the Earth from potential cosmic threats

Link: <https://65effa28166dac7a23cc8441--beautiful-blancmange-a2acd9.netlify.app/>

Voice Emotion Detection

Technologies Used: Recurrent Neural Networks (deep Learning), Flask, HTML

Main motive: Improve Human-machine interaction, recognize human emotion and affective states from speech

TextUtils

Technologies Used: React JS

It is a tool, where the user can modify the text according to their wish, identifying extra spaces, count of words, characters, and conversion of text

Web Scraping using Python

Extracting information from selected website <https://github.com/topics>, Here I have chosen GitHub to work on grab the repository name, user name, stars and repository URL in the topic of the page of GitHub

ThirdView E-commerce

Designed and implemented a responsive and dynamic user interface for an E-commerce platform using React.js

The platform's goal is to enable users to purchase products online, providing a comprehensive shopping experience

Web Application Developer: Implemented Django Framework for Ice Cream Website

Implemented front-end design and back-end functionality, including user registration, product catalog and authentication systems and Created a dynamic product catalog with search and filtering capabilities to enhance the user experience

EDUCATION

B.Tech

Rajiv Gandhi University of Knowledge Technologies

06/2020 - 04/2024, CGPA: 8.5

PUC

Rajiv Gandhi University of Knowledge Technologies

07/2018 - 04/2020, CGPA: 8.2

SSC

Gandhi Municipal High School

06/2017 - 04/2018, CGPA: 10.0

CERTIFICATIONS

- Certificate of "National Employability Test", Wheebox, Oct 14th 2022
- Certificate of Accomplishment in "AI for Youth Programme", Intel, November 2nd 2022
- Certificate of Participation in "React Boot Camp", Scaler Academy, November 15th 2022

ACHIEVEMENTS/ACTIVITIES

- NCC, NSS, Election Duty
- Workshop: Emerging Technologies in Computer Science

Languages: Urdu, Telugu, English, Hindi

Hobbies: Bike riding, Playing cricket, Eagerly explore and learn new things

DECLARATION

I, Idris Baig, hereby declare that the above-mentioned information is correct up to my knowledge and belief, and I bear the responsibility for its correctness.

Place: Nuzvid.
